Dues Amounts	\$500	\$1,000	\$1,400	\$4,200			

Note: Membership dues is based on the number of faces you own and operate in the above categories. For example, if you own and operate 30 faces that range in size from 101 to 300 square foot, your annual dues would be \$250.00 for the year. It is possible that you may fall into several dues categories on the above chart, if you own and operate several size boards. You would then need to add the amounts from each category to get the total amount for annual dues. Then divide the total amount into four quarters to calculate your quarterly dues payments.
